SUMMARY

Marketing Associate with early-career experience in partnership development, market research, and client outreach. Delivered brand activation to 500+ Costco members, generating measurable increases in product awareness, and led user-research surveys and outreach that secured campus partnerships and actionable product insights. Proven ability to craft persuasive pitches, negotiate collaborations, and translate data into growth strategies. Seeking to apply these skills to drive market expansion and revenue growth for a forward-thinking organization.

EXPERIENCE

Accure Inc.

Apr 2026 - Jun 2026

Retail Sales and Marketing Associate

Chicago

- Engaged over 500 Costco members daily through in-store brand activation and product demonstrations, boosting brand visibility and driving foot traffic
- Increased product awareness and customer engagement through consultative product demonstrations while tracking daily campaign performance.
- Built customer relationships and identified individual needs through consultative selling, enabling personalized recommendations that improved customer satisfaction

MeaVana Inc.

Jun 2025 - Aug 2025

Campus Ambassador

Remote, US

- Built and distributed user research surveys with Google Forms and Canva, analyzed responses using AI summarization tools, and delivered actionable insights that guided product iteration for Northwestern students
- Conducted LinkedIn and cold email outreach to over 40+ potential users, student organizations, and local business partners to accelerate brand awareness and campus adoption.
- Initiated early-stage investor and partnership outreach to small cafés and local businesses, supporting growth experiments and sponsorship strategy.

lab Team, Leqee Co., Ltd Nov 2023 - Feb 2024

E-commerce Intern

Shanghai, China

- Conducted competitive analysis of Dior and Chanel, identifying multi-year skincare trends.
- Synthesized reviews and web data to inform product positioning of 25 Chanel products on Taobao.
- Extracted and summarized high-frequency keywords from customer feedback, uncovering evolving skincare preferences and supporting data-driven product development.

ManpowerGroup Inc.

May 2023 - Sep 2023

Human Resource Intern

Shanghai, China

- Managed recruitment for 9 roles, screened 10,000+ resumes and interviewed 150+ candidates using HubSpot, and filled all positions, meeting the hiring timeline
- Standardized screening procedures by identifying key questions, developing effective guiding techniques, and establishing clear evaluation criteria to improve candidate assessment consistency.
- Produced 120 detailed candidate reports, supporting informed hiring decisions and enhancing overall recruitment effectiveness.

PROJECT

Startup Founder & Product Strategy Lead

Dec 2024 - Aug 2025

Independent Startup Project at Northwestern University

- Led the development of a gamified entrepreneurship simulation to help young adults explore startup thinking through interactive storytelling.
- Designed product structure, brand narrative, and content experience based on user research.
- Recruited and managed a cross-functional team through pitching, interviews, and collaborative development.

Volunteer

Apr 2025 - Mar 2026

Cradles to Crayons & Greater Chicago Food Depository

- Support weekly by Host Donation, sorting and packaging children's essentials, and assisting food distributions through check-in, restocking.
